INTIMATE THOUGHTS AND XXX ADVICE

USED
ONCE

A smiling Toni held the giftbox to her ear and shook it a few times.

I handed Toni the giftbox. "Happy birthday."

"You shouldn't have," she said.

"Nonsense. Twenty-one is a big deal. You're officially an adult."

Toni and I met in college where we shared a dorm room. She majored in electrical engineering, while I studied graphic design. We couldn't have been more different. Toni was practical, levelheaded, and mature, the type of gal who studied hard and made good grades. Hell, she didn't even drink. As for me—well, I was the exact opposite. Impulsive, artistic, irresponsible, and always down for a night of hard partying. That was me, then and now.

Despite our differences, Toni and I became good friends. After graduating we both landed jobs in Tampa, a damn good thing as neither of us knew a soul in that city. Now, having lived in Florida for six months, we tried to get together whenever possible, which wasn't all that often. We both worked long hours. She had her friends. I had mine. Still, I loved her like a sis, and she felt the same way about me.

A smiling Toni held the giftbox

to her ear and shook it a few times. "What in the world can it be?"

"Open it up and find out."

I couldn't wait to see the look on her face when she saw what I had gotten her. A diehard country music fan, Toni was going to love the T-shirt of her favorite singer. At least, it had been her favorite singer in college. I assumed this was still the case. If not, she could always exchange the shirt for another one as I had purchased it at a local music store.

Toni ripped into the paper and opened the box. Her face turned redder than a firetruck. She looked at me strangely.

"Do you like it?" I asked her.

"It's—um—well . . ."

Imagine my surprise when Toni's hand came out of the box clutching a strap-on dildo! Shit, I thought, immediately realizing that I had given her the wrong gift. The sex toy had been meant for Ricki, a lesbian friend of mine whose bachelorette party was being held tomorrow night.

"Oh, my gosh. Toni, I am so sorry."

I explained my screwup and all

but begged for her forgiveness. Toni took it in stride, assuring me that there were no hard feelings.

"It was an honest mistake," she said.

"Still . . ."

"It's okay, really. Don't worry about it."

Toni wasn't a prude or anything, but she was straight and rather conservative. The last thing she needed was a strap-on dildo.

Or so I thought . . .

My second surprise of the evening was even more of a jolt than the first.

"Can I keep it?" she asked me with a straight face.

I thought she was kidding, of course, so I waited for the punchline, waited and waited some more. She's not joking, I thought. Toni was dead serious; this became abundantly clear when she confessed her attraction to women, even going so far as to reveal that she had a crush on me in college.

"I still do," she said matter-of-factly.

Now it was my turn to blush. Tinggly heat flooded my face. I didn't know what to say. I had had my

I secured the toy to my waist. I had used regular dildos, plenty of them, but never a strap-on...

share of girl/girl encounters, sure, but I had certainly never thought of Toni as a potential sexual partner.

"I'm stunned," I found my voice, shifting uneasily on my end of Toni's loveseat.

"You know what I think?" she asked me.

"What?"

"I think this happened for a reason. I think you were meant to give me the wrong gift . . ."

"Written in the stars, huh?"

"Something like that."

Her eyes searching mine, she scooted across the loveseat, closing the gap between us. Toni crushed her lips to mine. The contact was electric. Our tongues tangled with a timeless urgency. My body responded immediately. I had never been so turned on in my life.

Never so hot . . .

Never so wet . . .

Moments later, our clothes piled on the hardwood floor, we surrendered in full to our sapphic desires. I sank deeper into the loveseat as Toni writhed on top of me. She kissed a path down my body until she reached the promised land between my legs. Her mouth pressed to my pussy, she licked and lapped, poked and prodded, thrilling me with her tongue.

Caressing and kneading my tits, I bit my lip as Toni serviced my clit. She had amazing oral skills. This couldn't have been her first lesbian encounter. No way. There were other girls, if not in college, then certainly after. I hoped that I could satisfy her as much as she was satisfying me.

Toni made me come like I had

never come before. I cried out loudly, desperately, spasming beneath her. She raised her head and smiled, her lips glistening with my juices.

"I've wanted to do that for a very long time," she told me.

I said nothing, choosing action over words. Sliding off the loveseat, I retrieved the strap-on from the coffee table. Toni watched my every move, playing with herself as I secured the toy to my waist. I had used regular dildos, plenty of them, but never one of the strap-on variety. A new experience, I thought with mounting excitement. My tits were pointy cones, my cunt lips sodden and splayed.

Towering over Toni, I threw my

the faux prick with a frenetic stabbing motion. Toni moaned and groaned. Frothy slobber oozed down her chin. She was a multitallented gal, deft at cunnilingus and fellatio. Had I been a guy my cock would have already exploded like a pipe bomb. The men in her life—past, present, and future—were seriously lucky dudes.

Eager to pound her pussy, I withdrew the dildo from her mouth and asked Toni how she wanted me to fuck her.

"Do me doggy," she said.

I stood there while she got on all fours. The loveseat provided ample cushioning for her knees and arms as she assumed the position. I moved behind her raised ass. Toni

hips, jabbing the monstrous dick in her face. "Suck my cock . . ."

She gobbled the rigid shaft without delay. Her lips wet from eating my pussy, Toni pumped her head vigorously, shellacking every inch of the toy. I grabbed two handfuls of her long auburn hair. She got the message, holding her head perfectly still so that I could fuck her face good and proper.

I thrust repeatedly, deploying

regarded me over her shoulder and told me to do it, told me to cram my big cock in her cunt.

I caught on fast for a chick who had never used a strap-on. Beginner's luck? If so, I silently thanked the stars above for my good fortune; this while tapping Toni's twat. Hers was the ass of a sumptuous Irish lass, creamy white and sturdily built for a thorough throttling. My hands holding her hips, I gave her

We had just gotten dressed when she asked me what I was going to do with the strap-on.

my best. Still, she wanted more, a whole lot more . . .

"Fuck me in the ass," Toni uttered breathily.

It wasn't a request, not by a longshot. I pulled out and lowered the flared glans to her other hole. Lube was unnecessary. The sizable schlong jutting from my waist was plenty slick from Toni's mouth and pussy. I entered her with ease. Still, she grunted as the toy stretched her tight pooper. Erring on the side of caution, I froze in mid-thrust and asked her if she was okay.

"Never better," she shot back.

"Now shut up and bang my butt."

"With pleasure," I replied.

Toni's keester proved durable as I fucked her with everything I had. In her relentless pursuit of pleasure, she moved a hand between her legs and played with her clit while I battered her bunghole. The stimulation of her kitty coupled with my efforts pushed her over the edge.

"Aaaaahhhhhhhhhhh!" Toni cried out loudly.

My work done, I withdrew and sat beside her. I was spent. And Toni was too. Several minutes of silence followed in which I removed the toy from my waist and placed it on a sheet of torn wrapping paper.

"Wow," Toni finally spoke. "That was amazing."

I chuckled. "It's a good thing I grabbed the wrong gift."

"You can say that again."

We had just gotten dressed when she asked me what I was going to do with the strap-on.

"I'm going to wash it," I told her, "and give it to Ricki."

"You're awful," Tony ribbed me. "A used sex toy."

"Times are hard. I can't afford another one. Not this month, anyway."

"Gross."

ing until she passed out. I figured she was nervous about tying the knot, perhaps even having second thoughts.

My suspicions were confirmed later that night after the other rev-

"She'll never know."

I washed the strap-on in Toni's bathroom sink, using lots of hot water and liquid hand soap. Thankfully, the packaging was still intact. I put the toy inside the giftbox and secured the lid.

"You got any wrapping paper?" I asked Toni.

"No," she said, "but I do have today's newspaper."

"That'll work."

Having wrapped Ricki's gift in the Tampa Bay Times, I gave Toni a big hug and told her that I would be in touch.

"And don't worry," I added. "I won't forget about your birthday present. It's at my apartment. I'll bring it over next week. Or you can come to my place."

"Sounds fun," she said. "I can't wait."

Ricki's bachelorette party was a really good time. Takeout tapas and lots of wine. Everybody got properly shitfaced, especially Ricki who seemed hellbent on drink-

ers had gone home. Ricki and I were sitting on her leather futon when she came clean.

"I'm getting cold feet," she told me bluntly.

The seriousness of her confession had a sobering effect. She was as lucid as I had ever seen her. I told her not to worry, told her that last minute jitters were perfectly normal.

"I guess," Ricki muttered.

"You'll be fine."

"I hope so."

"Trust me."

She placed her head on my shoulder. I wrapped my arm around her and told her everything was going to be okay. Not that I was qualified to dispense such advice. I had never been married and had no desire to change this.

"Thanks for the great gift," she said. "I'm sure we'll put it to good use."

"I hope so," I said, feeling some guilt about giving her a sex toy that had been all the way up Toni's ass.

SYREN DEMER

"I'm a bit of an anal freak and it's all my ex's fault. One night, we got pretty drunk and started making out. Well, that led to us getting it on, and after an hour of heavy petting and great sex, he 'accidentally' slipped it into my butt hole. I initially screamed but felt a tingle back there and asked if he would do it again!"

BLAIR-NTS-00

LETTERS FROM OUR READERS

Letters that should or shouldn't have been written, but you sent them to us anyway!

GF's THE BOMB

I live in a suburb of Columbus, a couple miles from the university, and I just started working downtown for a marketing firm. We're the ones that send you all those beautiful full color fliers in the mail full of coupons and food offers. Well, the other night I came home a little bit early only to find my girlfriend's BFF, Denise, sitting in the kitchen of our house without Bella (my girlfriend) there. I thought that was a little weird, but not that unusual for her to be there – but not by herself.

So I asked Denise where my girlfriend was. She told me she went to the grocery store to pick up food to make dinner. I said "Okay, no problem." I noticed two glasses on the counter, so they must have been drinking some wine. Denise and I started to talk and I asked how her man, Bruce was. She said he was at work like usual, working long hours as usual. I told her that sucks. That with a girlfriend as pretty as her, he shouldn't be working as hard as like that. He should be home with her. Denise blushed, looked down at the glass and played her fingers around the rim.

Our conversation seemed to get more intimate as she mentioned that Bella was lucky to have me. I told her that I was happy to have her. I miss her during the day when I'm at work. I tell Denise that I usually talk to her everyday from the office, and she said she wished Bruce would do the same. I told her I sometimes send her sexy text messages during the day and she likes that. Denise laughed a little, but I could tell that it hit home. She wasn't getting the attention from her man that she would like when he's away from the house.

"You should see the ones I get from her." I said trying to continue the conversation. So I whipped out my phone and started showing her some of the sexting

we do. I told her to come into the living room and I'd get my phone out of my briefcase. Denise grabs her drink and we find our way to the sofa.

Denise sat in the middle of the sofa, forcing me to sit pretty close to her. I found my phone. Now I have never seen Denise's boobs but my girlfriend has, and she said that her nipples are pierced. Her boobs are large, and quite nice and full. I kept showing her the texts and I could feel her hard nipple against my forearm. I wondered if she was messing with me because I sensed she was getting closer to me. I kept scrolling up and when I came across a photo of Bella's pussy and ass spread open for me. Frankly, I thought those were deleted but I guess not. Denise said "Wow, that was quite unexpected." I quickly scrolled past it and apologized. Denise said she had not seen my girlfriend's pussy before, but

had seen her boobs; that's about it. I told her that Bella told me she has seen yours and that your nipples are pierced.

I scrolled through the texts some more and kinda mumbled that I sometimes wished Bella's were pierced. Denise said that she liked hers that way, and that her man loves them. I said that I would love them, too. My phone must be magnetic because for some reason I moved my hand closer to her breast and I could feel the metal bar on her nipple. Then Denise said, "Well, since Bella got to see them, do you want to see them, too?" I was floored. "See what?" I pretended. I didn't expect to hear that from her. "My nipples," she said. My reply came out almost too quickly. "I'm not sure if that's a good idea. You're Bella's best friend and I wouldn't want something like that to create problems."

She replied, "It's not a big deal,

8029

They're only boobs. Every female has them." Before I could say anything more, she pulled her blouse up. Then she lifted her bra and I could see them, there right in front of my eyes. It stirred an amazing feeling I had running from my head to my lower head. I immediately got hard.

As she pulled her top down her head lowered and she saw the bulge in my pants. "Did that little peek at my boobs make you hard like that?" she asked, still looking there. Trapped! "Uh, I was... they are... can't believe they are so big and your nipples are amazing. Then what she told me next was, I thought, a little unusual. She looked up at me, took a sip from her glass and said that Bruce was an ass man. I said, "That's unbelievable. With such gorgeous boobs and nipples like yours, he should be adoring them every minute of the day."

I think that made her blush. She took another sip of her wine. Then she put the glass down on the coffee table and to my surprise said, "Would you like to feel what they're like?"

I said, "I don't know if I should. What if Bella was to walk in right now?" Denise lifted her tops once again and said, "She'll never know, I won't say anything." With that statement, I proceeded to touch one of them and then the other. There they were, right in front of me. Then what I did I do next? I leaned forward and proceeded to suck on one of her nipples. I noticed that she didn't pull away. It was surprisingly nice to have that tiny barbell in my mouth. She started to moan and I just kept on sucking her nips.

In the meantime, we lost sight of the time and Bella had come inside and walked in on us. She saw us going at it and what she did next was totally unexpected. She stopped at the living room door and got undressed. She started to walk towards us when I noticed her. But before Denise and I could do anything, Bella said, "I hope you're having fun. Please don't stop on my account."

Denise didn't say a word, but took off her top, her bra and stood up to take

off her pants and panties. I looked around and couldn't believe what was going on around me. By now, Bella had walked over to the sofa and the two ladies embraced and kissed right in front of me. Their hands roamed over each other's body and Bella's stopped at Denise's nipples and began to pull gently on the silver studs. Denise's hands found their way between Bella's legs and started massaging her pussy.

Then, again in unison, they both dropped to their knees in front of me and Bella grabbed my cock and offered it to Denise. She started to suck my cock and then she passed it back to Bella. The two sucked, alternating between my cock and balls and I was in heaven. Then they broke it off and the two ladies fell on the sofa with Bella on the bottom and Denise on top of her in a sixty-nine position. I got behind Denise and began to rub her wet pussy. Denise lifted her head from licking my girlfriend's pussy to tell me that her pussy is reserved for her man, but I could fuck her ass. That made me even harder, if that's at all possible.

I reached down and my fingers found my girlfriend's mouth and she licked them thoroughly. I rubbed them around Denise's anus and wetted it down. I stuck a finger in up to the first knuckle. I replaced my finger with my rock hard cock and slowly pushed it in. I look down and see my girlfriend eating her friend's pussy from the bottom as I was fucking her asshole. It didn't take long before I came in her ass. My girlfriend was underneath her and saw that Denise's ass was dripping down and she started to lick between her pussy and her asshole. I lowered my cock and Bella licked it clean while Denise was

still licking her pussy.

The girls got up and Denise started sucking my cock back to life. She told Bella to ride it and she got on me with her back to me. Bella's bobbing up and down on my cock and Denise sits right in front of us and begins to play with my balls and Bella's pussy. Soon she replaces her hands with her mouth and begins by licking Bella's pussy and clit. She's also fondling my balls as Bella moans long and loud. Now her mouth engulfs both my balls. She turns her head slightly so her nose doesn't get hit, and I feel her tongue working them inside her mouth. Finally, Bella is cumming and Denise goes to work on her clit with her hand. That sends my girlfriend over the edge and she cums in waves.

That leaves Denise without an orgasm. We work on her together and Denise starts cumming. Soon the two ladies lay on the sofa, spent. I gather up my clothes and head into the kitchen to put the groceries away.

KARLIE SIMON

"I just so happen to love sex. I grew up in a house where things were very conservative. It took a few times, but I got comfortable with having sex in front of the camera. I started with my trusty red vibe. And all the guys were very patient and nice, so it was easy to fuck them."

ZOEY MONROE & AALIYAH LOVE

Looks like some fresh pussy has just arrived. Just open the kitchen door and come in ladies. Then head onto the freshly cleaned counter. Do you find it too tight? Well, the floor's just been mopped. There's a whole lot more room there. Skirts up. Bras off. Panties to the floor. Tongues? Pussies? Ready, set, go down.
